About us.

Transform your outdoor spaces into timeless masterpieces with Stonecera's premium paving cobbles. From elegant driveways to charming garden paths, cobblestone is the classic choice for creating a landscape you'll love for years to come.

Our collection offers a versatile range of finishes, colors, and shapes, ensuring you find the perfect match for your design vision. Each stone is crafted to exude natural beauty and remarkable durability, built to withstand the elements and heavy use.

Discover how our cobblestone pavers can enhance the character of your home. Whether you're seeking the rustic charm of aged stones or the sleek sophistication of modern finishes, Stonecera provides the quality and variety to bring your dream outdoor space to life. Choose Stonecera and create a stunning, enduring landscape that will be the envy of your neighbors.

Black Limestone Cobbles

Size: 100X200MM, 100X100MM

Thickness: 35- 50MM

Make a bold statement with these deep, charcoal-hued cobbles. The striking black limestone provides a dramatic and sophisticated look, ideal for creating high-contrast driveways, pathways, or borders that command attention. Their dense, durable nature and rich color ensure your landscape maintains a sleek, modern, and elegant appearance for years to come.

Yellow Limestone Cobbles

Size: 100X200MM, 100X100MM

Thickness: 30- 40MM

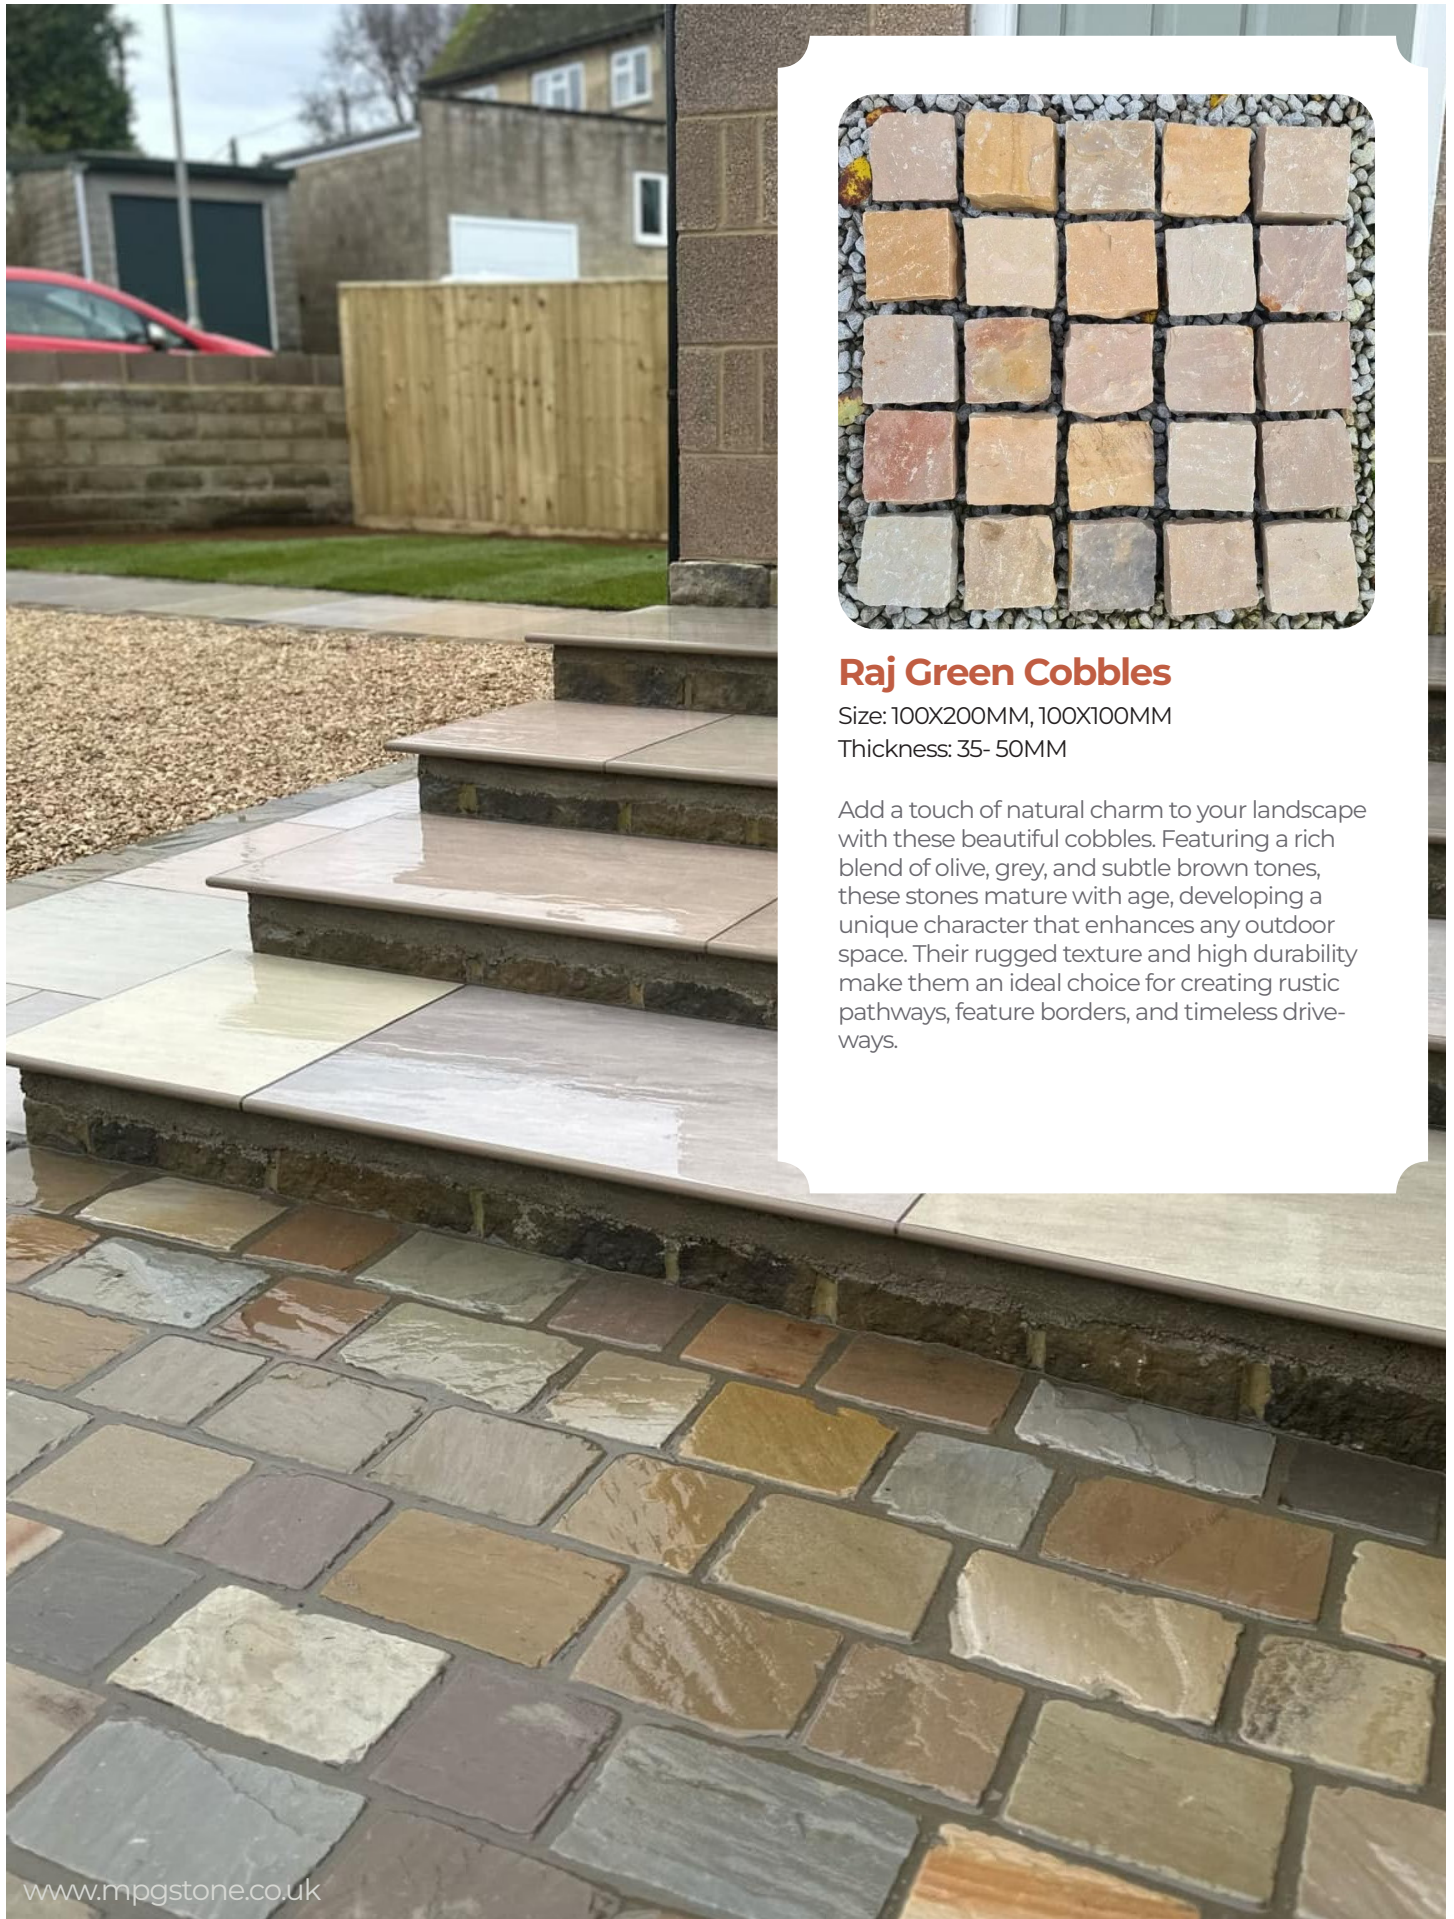

Infuse your outdoor space with a warm, sun-kissed glow using our Yellow Limestone Cobbles. These versatile and inviting stones, available in various sizes (100x100mm and 100x200mm with a 30-40mm thickness), are perfect for creating charming driveways, rustic garden paths, and elegant borders. Their natural, textured surface and rich, buttery color add a touch of classic sophistication and timeless appeal to any landscape.

Kandla Grey Cobbles

Size: 100X200MM, 100X100MM
Thickness: 35- 50MM

Add a touch of modern elegance to your outdoor space with these sophisticated grey cobbles. Their cool, neutral tones and naturally split texture create a clean, contemporary aesthetic that complements any architectural style. Perfect for creating striking driveways, patios, or pathways, these durable stones are designed to handle heavy traffic while maintaining their refined look for years to come.

Raj Green Cobbles

Size: 100X200MM, 100X100MM

Thickness: 35- 50MM

Add a touch of natural charm to your landscape with these beautiful cobbles. Featuring a rich blend of olive, grey, and subtle brown tones, these stones mature with age, developing a unique character that enhances any outdoor space. Their rugged texture and high durability make them an ideal choice for creating rustic pathways, feature borders, and timeless drive-ways.
